

Physiotherapy and Podiatry Opportunities

Our client is one of the largest and most highly regarded in the Allied Health Care industry servicing over 800 aged care facilities. Due to rapid growth they are looking for more qualified Physiotherapists and Podiatrists who will contribute to enhance residents' quality of life.

We are seeking enthusiastic Physiotherapists and Podiatrists who want to join a dynamic and work-life balance focused organisation where career progression happens! There are a diverse range of roles available nationwide including full-time and part-time options.

You will be joining a company who give outstanding support to all their staff including providing employees with all equipment and consumables, training, travel allowances and a flexible lifestyle.

If you are:

- **A qualified and Physiotherapist/ Podiatrist**
- Have an interest in aged care
- Able to communicate well
- Have a driving licence and own vehicle
- Great with time management

then we welcome you to apply!

We're also happy to hear from recent graduates, return to work parents and semi-retirees!

The successful applicant will be compensated with a competitive hourly rate and the knowledge they are part of a great Allied Health Care organisation.

For a confidential discussion on your career options please contact:

Christine or Rebecca on 1300 184 825 or email: rebecca.steele@vital.jobs
